From officer Sheehan we learn of a small difficulty which occurred between two colored women named Maggle Baston and Elvira Estis, on Sunday. Elvira and Maggie are bosom companions, but through some misunderstanding, they became out of humor with each other, and both were bent on vengeance. Although Elvira is the smaller of the twain, she is possessed of more muscle than Maggie. Of this fact Maggie was well aware, and in order to keep her antagonist at a respectable distance, she armed berself with a batchet, and then started out for a stroll. She had not proceeded far, however, before she encountered. Elvira, who at once advanced upon her, with the intention of chawing her up ulive. But Maggie flourished the hatchet in the air in a menacing way, and Elvira. thought she had better retreat and watch for a more favorable opportunity, when she would swoop down upon the enemy School building last night, the occasion and annihilate her without much trouble For this moment to arrive she did not have long to wait.
